The Governing Board is also responsible for ensuring the Charter is implemented as submitted to Broward County Public Schools. The Governing Board will delegate all day-to-day operational responsibilities to the Principal.

The Governing Board consists of an elected group of parents/guardians and community members who are responsible for the school's successful operation. Parents/guardians who have educational, operational or managerial concerns should contact the appropriate personnel at the school.

In the event a parent/guardian requests an item to be placed on the Governing Board agenda, a written request with a detailed explanation must be submitted to the Principal at least one week in advance. ## **ATTENDANCE AND TARDINESS POLICY**

The parent/guardian of a child of compulsory age is responsible for the child's daily school attendance as required by law (F.S. 1003.24). For students who demonstrate patterns of non-attendance, interventions will be implemented.

### **Broward Truancy Intervention Program**

The Broward Truancy Intervention Program (BTIP) is a joint partnership program of the Broward State Attorney's Office and the School Board of Broward County. The program is designed to prevent excessive absences through parent notification and accountability, school interventions, and daily monitoring of attendance. When a student accumulates 5 unexcused absences, they will be enrolled in the BTIP program. The school will send a letter of notification to the parent's address and parents will be expected to attend a school conference with the Principal, Positive Behavior Interventionist, and/or Social Worker.

**Consequences of truancy can lead up to a referral to the Juvenile Assessment Center or State Attorney's Office, and the loss of Temporary Assistance for Needy Families funds grant through the Learnfare Program.** The grant will be restored only when conditions provided by law are met (30 days of attendance with no unexcused absences).

### **Excused Absences**

- Parents/guardians must call the attendance line at (954) 973-8900 within (48) hours of the absence or send a note to the school to verify the absence.
- It is the parent's/guardian's responsibility to accurately report the student's absence with one of the eight reasons mentioned in the student code of conduct. Only then can an absence be excused.

### **Tardiness**

- Any student arriving **after 8:00 a.m.** will be issued a tardy ticket and marked tardy unexcused. Parents/guardians must follow the same process to excuse a tardy as they do to excuse an absence.
- Tardiness is defined as a student not being in the classroom when a class is scheduled to begin. Students late due to bus and breakfast delays are not considered tardy.
- Tardiness to any class without proper documentation will be considered unexcused.

## ARRIVAL/DISMISSAL PROCEDURES

**Student safety is our top priority. Arrival and dismissal procedures must be strictly enforced in order to ensure our students' safety.**

Imagine Elementary at North Lauderdale Charter School is **not required** to provide supervision more than 30 minutes prior to the official starting time, **nor are they required** to provide supervision for more than 30 minutes after the official school closing time (Florida Statute 1003.31(2)).

### **Bicycle Riders**

- Bicycle riders **MUST** wear helmets (Florida Statue 316.2065). All bicycle riders are to walk their bicycles to the bicycle rack behind the basketball courts and lock them each day.

### Dismissal:

**The academic day ends, and dismissal begins, at 3:00 p.m.**

### **Car Riders**

- All car riders are to be picked up in the right lane only in the front of the school. The left lane will **ONLY** be used for passing cars.
- Please remain in your vehicle during dismissal. A staff member will escort your child to your vehicle.

### **Walkers, City Bus Riders, and Bicycle Riders**

- Students will be brought to the bus area by an assigned teacher. It is the student's responsibility to board the correct bus.

### Early Sign-Outs

- Students who are dismissed early **MUST** be signed out by a parent/guardian in the main office.
- Students **will not** be released to any person whose name does not appear on the emergency contact card kept on file in the main office.
- A photo **ID must** be shown to release a student from the campus.

The School Board of Broward County Policy states that **no student will be released** within the final 30 minutes of the school day, unless the principal/designee determines it is an emergency.

### Change in Transportation

Should a parent have an **emergency/change of plans** that prevents him/her from picking up his/her child on time, the parent/guardian **must** notify the school prior to 2:00 p.m. otherwise, the student will proceed with the regular mode of transportation.

## **CAFETERIA AND SCHOOL LUNCH FEES**

All students will receive free breakfast and lunch each day, regardless of whether or not the family qualifies for the program. **In order to receive free breakfast and lunch, students must have a complete free and reduced lunch form on file to receive the free breakfast and lunch.**

### **Peanut/Food Allergies**

If your child has a peanut or other serious food allergy, please provide all information on attached medical form. A peanut allergy is considered an airborne allergy that may cause a life-threatening allergic reaction just by being in close proximity to peanuts. The school asks that parents be aware of this potentially deadly condition when packing student lunches or snacks. Please check with your child's teacher to see if a student in your child's class is allergic to peanuts or peanut products. We ask that parents be sensitive to this important issue.

### **Nut Free School**

Several Imagine North Lauderdale students have a severe food allergy to peanuts/nuts whereby any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. It is critical that Imagine North Lauderdale staff members strictly prohibit peanuts/nuts in order to prevent a life-threatening allergic reaction.

Please help us ensure we provide all of our students with a safe school environment. **Do not send any peanut or nut products to school.** If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering school. Thank you for your help in supporting our nut-free procedures and keeping our school safe!

### **Prohibited Food Items**

**Soda, sugary drinks, candy, and fast food items are not permitted at school. Students may not bring prohibited food items into the building. All prohibited food items will be confiscated. The school is not obligated to store, return, or replace confiscated food items. Additionally, parents may not deliver fast food meals to students.** We encourage parents to encourage healthy eating habits by packing healthy lunches and snacks.

For safety reasons, please do not send glass containers or food items needing microwaving or heating to school. Microwave ovens are not available.

### **Birthday Celebrations**

**Birthday celebrations are held during lunch time only.** Parents may acknowledge their child or teacher's birthday by visiting campus during their child's lunch time in order to serve a treat with the whole class. If the parent sends in a treat to share, the treat will be shared during lunch or during the last five minutes of the school day, at the teacher's discretion.

In ALL cases, birthday treats should be limited to small snacks easily distributed by the student. Snacks should be "finger friendly," such as cupcakes, cookies, fruit or vegetables. Unfortunately, due to Federal regulations, homemade food cannot be served and purchased items **MUST** include a list of ingredients. Birthday celebrations during testing days are not permitted. Unfortunately, candles are not permitted according to State and County Fire Codes.

## **DISCIPLINE PLAN**

All Imagine Elementary at North Lauderdale Charter School students participate in the school-wide, Positive Behavior Support (PBS) plan. Teachers expect, model, and enforce rules, procedures, incentives, and consequences that are consistent across grade levels. Before a student is referred to administration, he or she receives at least two classroom interventions. **After a child is referred to administration, consequences follow the Broward County Discipline Matrix.**

Please refer to the Broward County Discipline Matrix to better understand county-required consequences.

## **PARENT RESPONSIBILITIES**

We expect all parents/guardians who visit campus to act in a respectful, appropriate manner. By choosing to send your child(ren) to Imagine School at North Lauderdale, you are agreeing to abide by our policies, attend Teacher-Parent conferences, turn in paperwork in a timely manner, and thoughtfully participate in your child's education. **The parent partnership is a powerful one and can only succeed if you support your child's educational and character development needs. Our philosophy demands your respectful participation. We retain the right to dismiss families that fail to follow all policies contained within this handbook.**

The school clinic serves as a temporary resting place for sick children and to administer minor first aid care.

Please be reminded the clinic is **not staffed by a school nurse or school employee**. Parents will be notified if it is necessary to pick up a child who is unable to return to class.

For the sake of others, as well as your own children, parents/guardians are asked to keep home any child that exhibits a fever of 99.9 degrees or higher.

## **HEALTH CARE (continued)**

A child should be free from fever or contagious disease for 24 hours before returning to school. If your child has a contagious disease, he/she must be kept home and the parent/guardian must notify the school. Contagious diseases include illnesses such as chicken pox, strep throat, conjunctivitis (pink eye), impetigo, head lice, measles, mumps, scarlet fever or fifth disease, etc.

It is very important for physicians to assist you in filling out the required medical forms for the school if your child has a chronic health issue such as asthma, need for eye glasses, or any other health issues.

**We cannot assist your child if we do not know about his/her medical condition. Please contact Mrs. Louise Burgess to communicate any medical needs and she will coordinate a plan to ensure your child's needs are best met.**

### **Medication**

Imagine Elementary at North Lauderdale Charter School follows the School Board of Broward County medication administration policy. This policy states that schools **may not** administer any medication to a student during school hours unless an Authorization Medication/Treatment Form is completed by the parent/guardian and the healthcare provider.

**Please contact Mrs. Louise Burgess if you have questions about the Authorization Medication/Treatment Form.**

### **Emergency Situations**

Fire rescue may be called in cases of emergency (severe allergic reaction, fracture, etc.). Administration will attempt to notify parents, but if contact cannot be made, the student may be transported to the nearest hospital (Northwest Medical Center) if recommended by the paramedic. If a parent/guardian is not present at the time of transport, a member of the administrative team will accompany the child and remain at the hospital until the parent/guardian arrives.

## **HOME-SCHOOL COMMUNICATION POLICY**

Open communication is essential to create a positive learning environment and support your child's success in school. In order to ensure that school staff can properly address each child's needs in a timely and effective manner, the lines of communication are kept open at all times.

Imagine Elementary at North Lauderdale Charter School follows the Broward County School Board Homework Policy. The School recognizes the importance of assigning meaningful and quality homework to students. All students are required to read for a minimum of 30 minutes each night. All students are also required to complete nightly Calendar Math homework activities.

Additional homework assignments vary by homeroom teacher and grade. The general guideline for homework is that ten minutes per grade level, per night, will be assigned.

- K – 10 minutes/night

- 2<sup>nd</sup> – 30 minutes/night
- 3<sup>rd</sup> – 40 minutes/night
- 4<sup>th</sup> – 50 minutes/night

**Students who participate in 21<sup>st</sup> Century or FSA Boot Camp tutoring programs are excused from completing any homework they do not complete while in their afterschool tutoring program.**

In order to ensure your child develops responsible learning habits, please clearly state your expectations that he/she take responsibility for completing nightly homework assignments. **Then check your child's agenda and the agenda and your child's Independent Reading Log each day.**

## **OUT-OF-FIELD TEACHERS and REQUESTS TO TRANSFER STUDENTS**

**Out-of-Field Teachers:** Imagine Elementary at North Lauderdale Charter School's administrators strive to ensure all instructional staff members are highly-qualified and teach courses listed on their Florida Teacher's Certificate. Due to urgent staffing and enrollment needs, however, some instructional staff members may be assigned to teach courses and/or students in which they are not certified. Teachers who teach courses and/or students not listed on their Florida Teacher's Certification and/or Florida Statement of Eligibility are considered out-of-field. Out-of-field teachers are notated on the Imagine Elementary at North Lauderdale Charter School website ([www.imagineNL.com](http://www.imagineNL.com)).
